Bantam Team Tryout Declaration Form

2010-2011 Season

In an effort to effectively evaluate and appropriately place players trying out for a position on a Southpointe Bantam team, we are requiring each player to declare their desired tryout preference on a Bantam team. Declaration choices include: trying out for Team 1 only; trying out for the birth year 1997 Travel Team; or trying out for either team.

Note the following rules for declaring your preference:

- Once you declare a team preference, changes are not permitted.
- You will be only evaluated for the team indicated or for either team if that is the item chosen.
- If you declare to be evaluated for either team, you will first be considered for Team 1, then for the Bantam 97 travel team, *only* if you are a 1997 birth year player.
- If you are not placed on either team after this tryout you will be automatically enrolled in the Team 2/3 tryouts the following week to be considered for placement on one of those teams. If you do not want to be considered for Teams 2/3 you must notify SAHA in writing of your desire to not be considered for one of those teams by 9:00 PM Thursday April 22, 2010 or your commitment fee will not be returned.
- In order to insure the integrity of this tryout procedure, we ask that you please direct any questions regarding this process to Mike Singleton, Director of Coaching, and not the individual coaches for the teams.

Please fill out, sign and return the attached form indicating your declaration for which (or either) Bantam team you are trying out for. Players will not be permitted to participate in the Bantam tryout session unless this form is completed. All rules for accepting or declining positions will be applied as stated in the Southpointe Amateur Hockey Association registration forms and documents.
